Peter,

I just tried to reach you by phone, but based on your email and voice message, you are conditioning consent on having her appear first in court, which seems unnecessary and punitive. I will amend my papers to recite the foregoing and get them on file, given the urgency of this matter.

REGARDS,

What in the order are you saying you can't agree to?

Glenn

While I will agree to an order compelling Ms. Michalek to appear before the court and explain her non attendance at her deposition, and directing her to appear at some future date for her deposition, I cannot agree to the order as drawn. Should you wish to discuss, call me.

Best regards,
Peter

Peter,

As discussed, here are the Order to Show Cause and supporting declarations I have prepared to file to compel Ms. Michalik's testimony and extend fact discovery, in case you want to discuss. Please let me know by 2:00 if there is anything you want to discuss, as it's obviously urgent that I get this finalized and filed this afternoon. Thank you.
